Hariom Helps Foundation Announces Scholarship Initiative as Tech Executive Turns Financial Lessons Into Student Scholarships

2 days ago

Hariom Helps Foundation, recently named Best Scholarship Nonprofit in the United States of 2026 by Best of Best Review, directs 100% of proceeds from two financial education books toward scholarships for students in need.

United States - September 5, 2026 -

In 2023, a heart rhythm crisis led technology executive Sankha Nagchoudhury to receive a pacemaker and prompted a question that changed the direction of his work: if he were no longer available to explain a lifetime of financial decisions, would his family understand what he had learned? His answer became two books, written in practical language for everyday readers. The next step was to direct 100% of their proceeds to scholarships through Hariom Helps Foundation, turning a personal financial playbook into an educational opportunity for students.
